

## ST ANDREW'S SCHOOL

9 May 2019

Dear Parent/ Guardian

### **Travel Declaration on Parents Gateway App**

We are pleased to inform you that the MOE Parents Gateway app will now allow you to do one joint travel declaration per family regardless of the number of children from different schools. You may use this app to make the travel declaration instead of through MConline. If you do not have the Parents Gateway app installed on your mobile phone for some reasons, please continue to make the travel declaration through MConline.

Should you have any queries, please contact the General Office (Tel: 6285 1944).

Thank you.

Yours sincerely

Mrs Marion Tan  
Principal
